My dear Sir  
I have the honor to acknowledge the receipt of your letter of the 7th inst. in relation to the above mentioned matter. I am sorry to hear that you are not satisfied with the result of the late trial. I have been very anxious to see that justice should be done, and I have no doubt that the jury were fully informed of the facts of the case. I have also been very anxious to see that the law should be properly administered, and I have no doubt that the court have done so. I am, Sir, very respectfully,  
Your obedient servant,  
John Bull
