Dear Mother

I received your kind letter of the 7th and was
glad to hear from you and to hear that you
were all well. I am well at present and
hope these few lines will find you all the same.
I have not much news to write at present.
I am still in the same place and doing
the same kind of work as before. I have
not much time to write at present but
will write again when I have more news to
write.

Your affectionate son
P. P.
