Ingulto Julio 30/1799

Mi hermano amadísimo: En el alma me alegro q. no hubieras sido víctima de las desgracias a Secura, y a que no hubieras participado a ninguno atropellamiento de esa Canalla degradada e infeliz, por la inspiración q. tubiese a Salir a allí tan apurado, como si te hubiesen avisado lo q. viva apasos. A veces suceden al hombre ciertas cosas q. parecen casualidades y mirándolas bien, no son otra cosa q. beneficios de la providencia, q. no quiere ningún mal p.^o nosotros, como lo has experimentado.

Mis hermanas también se placen en escape y q. q. solo tengan siempre sus suplicas el buen efecto que te suplicas, q. seran impetradas en Nepesilas.

Entregué la moneda, y no se si todavía te debo algo, o si te alcanzo, q. q. no me acuerdo quando fue el p.^o cuando en mi poder a la distribución de los l.^{os} q. recibí te a lo mismo y así verás la Plautilla q. te recibí en Abril o Mayo de este año y me avisaras p.^o mi gobierno, q. p.^a el mijo, acompaña a la buelta, o demitamos todo el din.^o q. he tenido mijo desde entonces, y las bandas a su imbeción.

Mmanuel me dice que te hayas confiado con flicción a la Casa, y me alegraré q. esta te encuentre bueno como decia tu Siempre Amante Fernando

L. T. Jones

1812 July 21

1. **Le premier** est de faire un bon choix de la terre, et de la cultiver avec soin, et de la faire produire le plus de blé qu'il est possible.
 2. **Le second** est de faire un bon choix de la semence, et de la semer à propos, et de la faire pousser avec soin, et de la faire produire le plus de blé qu'il est possible.
 3. **Le troisième** est de faire un bon choix de la récolte, et de la faire vendre le plus cher qu'il est possible.
 4. **Le quatrième** est de faire un bon choix de la consommation, et de la faire avec modération, et de la faire produire le plus de blé qu'il est possible.
 5. **Le cinquième** est de faire un bon choix de la conservation, et de la faire avec soin, et de la faire produire le plus de blé qu'il est possible.
 6. **Le sixième** est de faire un bon choix de la distribution, et de la faire avec justice, et de la faire produire le plus de blé qu'il est possible.
 7. **Le septième** est de faire un bon choix de la répartition, et de la faire avec équité, et de la faire produire le plus de blé qu'il est possible.
 8. **Le huitième** est de faire un bon choix de la réformation, et de la faire avec sagesse, et de la faire produire le plus de blé qu'il est possible.
 9. **Le neuvième** est de faire un bon choix de la répression, et de la faire avec fermeté, et de la faire produire le plus de blé qu'il est possible.
 10. **Le dixième** est de faire un bon choix de la réconciliation, et de la faire avec douceur, et de la faire produire le plus de blé qu'il est possible.

Dinero que ha entrado en mi poder, en tu
personencia. y su salida.
