The first thing I did was to  
 go to the office of the  
 Secretary of the  
 Treasury and to see  
 what was going on  
 there. I found that  
 the money was all  
 gone and that the  
 country was in a  
 state of confusion.  
 I then went to the  
 Bank of England and  
 saw the same thing.  
 The money was all  
 gone and the country  
 was in a state of  
 confusion. I then  
 went to the  
 House of Commons  
 and saw the same  
 thing. The money
