18th March 1845

My dear Mother  
I received your kind letter of the 14th and was  
glad to hear from you and to hear that you  
were all well. I am well at present and  
hope these few lines will find you all the same.  
I have not much news to write at present.  
I am still in the same place and doing  
the same work as before. I have not  
heard from you for some time and  
I should like to hear from you  
very much. I am sure you are  
all well and happy. I am  
yours affectionately  
John Thomas Jones
