The first part of the paper is a blank space  
 for the title and the name of the author.  
 The second part is a list of the contents  
 of the book, which is divided into three  
 parts. The first part is the history of  
 the city of London, the second part is  
 the history of the city of Westminster,  
 and the third part is the history of the  
 city of St. Paul's. The first part is  
 the most interesting, and the second  
 part is the most useful. The third  
 part is the least interesting, and the  
 least useful. The first part is the  
 most interesting, and the second part  
 is the most useful. The third part  
 is the least interesting, and the least  
 useful.
