Dear Mother

I received your kind letter of the 10th and was
glad to hear from you and to hear that you
were all well. I am well at present and
hope these few lines will find you all the same.
I have not much news to write at present.
I am still in the same place and doing the
same work as before. I have not much time
to write at present but I will write a few
lines to let you know that I am still
well and hope these few lines will find
you all the same. I have not much news
to write at present but I will write a few
lines to let you know that I am still
well and hope these few lines will find
you all the same.
