The first thing I did
 was to go to the
 office and see
 what was going on.
 I found everything
 in a state of
 confusion. The
 books were all
 mixed up and
 the papers were
 scattered all
 over the place.
 I had to spend
 a great deal of
 time in getting
 things straightened
 out. I had to
 go through every
 book and every
 paper and see
 what was what.
 It was a very
 tedious and
 laborious task.
 I had to be
 very careful and
 accurate in
 everything I did.
 I had to be
 very patient and
 persevering.
 I had to be
 very diligent and
 industrious.
