HAND LOOMS

OFFICE AND FACTORY
1334-1340 WEST SECOND STREET

DAVENPORT, IOWA, U. S. A.

May 5, 1950

Fernando Santa Maria
Junin Peru So. America

Dear Sir:

Acknowledging your letter of April 20th. I greatly regret I am unable to answer you in Spanish. I will have to resort to the English language.

The enclosed instructions which are likewise in English, is the type that we supply with all of our Weavers Delight looms.

I trust you will be able to get an interpreter to assist you in the matter.

Yours truly,

NEWCOMB LOOM COMPANY

Frank Knierem
President
